

Spanish Translation Referrals

- **UA National Center for Interpretation (NCI)**

nci.arizona.edu/translation-request

NCI provides professional translation services in different languages for businesses and individuals. Rates vary based upon the word count of the document, level of technical language, legibility, formatting, and the source file type. The Spanish translations rate is listed at \$0.22-0.24/word with a minimum charge of \$150.00 per document.

Depending on the complexity of the project, other charges may apply:

- PDF, hard-copy images, etc. (file format conversion): \$10 minimum/page
- Source language proofing (if source grammar and rhetoric is ambiguous and interferes with meaning and translation): \$5 minimum/page
- Complex reformatting (graphs, tables, images, etc.): \$10 minimum/page
- Rush job: \$10 minimum/page
- Page layout, formatting, editing: \$40-\$50/hour
- Proofreading: \$60.00/hour

- **Jaime Fatas-Cabeza**

Associate Professor of the Practice: Translation and Interpretation

Director, Undergraduate Translation and Interpretation Program

Department of Spanish and Portuguese

Telephone: 520-225-0345

Email: jaimefatas@gmail.com

Jaime is a certified medical translator with extensive experience in translating documents for research projects at the University of Arizona. He works across campus with many investigators and can complete a translation in a timely manner. The rate for translation varies depending on the level of technical language and complexity of the document. Average rate is 0.18/word

- **Gerardo Monroy**

Gerardo Monroy has twenty-five years of experience translating documents from English into Spanish and vice-versa, the last twenty of them in a self-employed capacity. Gerardo past clients include UA, Planned Parenthood, US Environmental Protection Agency, Luz Social Services, among others. Average rate is 0.12/word.
