

Research Administration Contracts

Use of this flow chart will help you identify which contracting office is likely to own your agreement. Nuances of the project may necessitate the inclusion of an alternate or additional contract team post submission.

i Note: Leases and facility use agreements are handled by Planning, Design, and Construction.

- MTA** Material Transfer Agreement
- PACS** Procurement and Contracting Services
- PI** Principal Investigator
- SPCS** Sponsored Projects and Contracting Services
- Subaward/ Subcontract** An agreement between UA and another organization which obligates the other organization to perform work as a part of larger sponsored project.
- TLA** Tech Launch Arizona
- UAHS** University of Arizona Health Sciences
